

ST. AMBROSE ACADEMY

Why your child doesn't need to be on our new waiting list...

TO HELP US PREPARE for the future, we've established a waiting list where parents can indicate an interest in enrolling their children at St. Ambrose Academy next year or a dozen years from now. Any sibling of a current student takes precedence over a child on the waiting list. So if your child is already a student at St. Ambrose Academy, you can't move any further to the head of the line for admission.

...But will want to be.

OUR WAITING LIST isn't just about waiting around. We plan to have annual fun gatherings of children who will be in the same grade in years to come. Children will have an opportunity to meet their future classmates, and parents will get to meet their future cooperators in the St. Ambrose Community. In addition, we want to be ready to provide a classical education rooted in the Catholic faith for all the children who desire it. This can require planning years in advance. The Waiting List helps us prepare the facilities and staff so we will be ready when the students come to us. All parents of current students are encouraged to add their younger siblings to the Waiting List.

How to join:

1. Go to www.ambroseacademy.org.
2. Select "Waiting List" from the "Admissions" menu.
3. Fill in the requested information about your child.
